OUR TIMES

We, the Seniors at Bridgewater-Raynham, have spent our last four years of school together growing up and growing closer. As we have matured individually, many have influenced our lives. Our families, friends, and the faculty members have strengthened and assisted us during these times. They shared with us the events and activities that make up our special memories of B-R.

Our yearbook serves as a collection of these remembrances. Consisting of "Old Times", "School Times", "Spirit Times", "Busy Times", "Spare Times", "Best of Times", and "Recognition Times", this book recalls the many aspects of our high school days at B-R. The Class of 1983 will always be remembered as a fun-loving group, while respectful and considerate.

We are proud of our Class, and hope the 1983 edition of Unitas reflects this. As we look back on our friends, fun, and faculty, we present "OUR TIMES".

SCHOOL TIMES

Many hours have been spent in classrooms in the past four years. With a variety of classes and teachers, B-R offers many opportunities in many areas. We, as students, have received strong, well-rounded educations, putting time and effort into our studies, and because of the education we have earned and received, we feel ready to face the world and its challenges. Along with the hard work presented, our school times have brought smiles and laughs, as well as occasional naps. B-R's programs included challenging education and changing enjoyment, only two of the many excellent aspects of our school — a school we are proud to call our own.

OLD TIMES

W. H. McELWAIN SCHOOL

KINDERGARTEN A.M.

1970 1971

Thinking of our younger years, we laugh. Remembering the playful things we used to do, we now see the changes from silly to sentimental and from mischievous to mature. Do you remember your best friends, your favorite teachers, or your most special events in your younger years? Although we, ourselves, have changed, and we have seen others change in many ways, we are still the same deep down. Growing up is a process that takes a lifetime, and we are glad to have spent some of this time together!

SNOW FORTS

I clearly remember awhile ago
Teddy bears, barbie dolls and forts made of snow,
Were all that were needed to please me.
My parents were there when I was in need,
Brothers and sisters for an occasional squeeze.
I got pats on the back for just drying a dish,
And to become a famous movie star was my only wish.
Then just as quickly as it happened,
Childhood went,
It is a time of your life
Which can only be lent.
And the snow forts melted, the bears wore out,
And in this game of growing up
There is not time to pout.
The squeeze came less often and the chats became few.
Things started to happen that I never knew.
I resented my family for not waiting for me
I couldn't grow up, "I've too much to see!"
Growing up meant politeness and being mature,
Picking up your clothes and shutting the door.
But I realized soon after that it wasn't just me.
I found for success that this is the key:
Take it slow and feel what you've felt,
And never, no never,
Let those snow forts melt!

SPIRIT TIMES

In the past four years, our spirit as a class has been building. Although somewhat intimidated Freshman year, we definitely have grown to become one of the rowdiest groups to pass through B-R. The Class of '83 actively cheers for the school teams through all seasons, and shows its true spirit ability at the annual Thanksgiving Day Rally. We've been fortunate to cheer on many outstanding teams and athletes, while adding to the pride of our Class. Not all cheering is the practiced "Winding It Up", however. Many wild fans add to the excitement of school events with their own ways of stirring up spririt. Unmatched energy and enthusiasm mark our loud and excitable class as we have proven through our years at B-R!

BUSY TIMES

So much goes on during the school year, that we all find ourselves quite busy. Sports, clubs, and intramurals get everyone involved, and those who work also keep busy catching up on all the latest news and scores.

By staying active, we add to the excitement of our involved high school programs. As a class, the seniors' talents, skills, and abilities have proven to be outstanding through the accomplishments in clubs and groups and through team records.

SPARE TIMES

In the spare time that we have, we can be found playing sports, talking with friends, or just hanging around having a good time! We've realized that getting to know each other takes time, and that our choice of friends will determine the kind of lives we will live. We're thankful to have spent our time together, learning from each other and growing close as a class.

BEST OF TIMES

Many good times have been shared with various members of our Class. Some of our best times included the proms, the parties, and the school events. These memories will always bring smiles to our faces for they will never be forgotten. Now we look forward to keeping up with all the good times ahead!

1983... THE BEST

Dedication

The Senior Class of 1983 respectfully dedicates "Our Times" to Angelo "Ang" Mattie. A genuinely kind and friendly man, Ang has contributed a great deal of care and concern both to the school building and to the people in it through the years.

Ang had an interesting life prior to B-R, however. Mr. Mattie was a veteran of World War II, serving as a "belly gunner" in B17 bombers. Following the war, Angelo was in A&P management for nine years. During this time he was elected President of the Amalgomated Meat Cutters of America, an honorable position to attain.

Holding another leadership position, Mr. Mattie was post commander of American Legion Post 91 of East Bridgewater. He is still a member and has been for 36 years.

Aside from his work, baseball is Ang's real love. Mr. Mattie has been coaching American Legion Baseball for 30 years, and is presently coaching Bridgewater Legion Baseball, while also keeping active in the Bridgewater Semi-Pro town league.

He enjoys working with kids, and spends much of his free time with them, but his priorities still and always will remain with his family. With his loving wife, Mary, Angelo has two children — Joseph and Carol Ann, both of whom are married. Ang takes pride in his family as well as in his only grandchild, to date, Joseph.

As caretaker of the B-R school grounds, Ang has done a superb job in keeping all fields in top condition. A personal concern for the property is definitely evident as Mr. Mattie is seen driving his tractor, picking up litter, and doing all the necessary upkeep and smiling all the while.

With all of his work, Ang has brought a special feeling about our school. He contributed an effort to our grounds that makes each of us proud to present our school to other teams and to our surrounding community.

We want to personally thank and praise Angelo Mattie for his services and his smiles. Although he has many good qualities, the one fault that glares is his love for the NY Yankees! We will look past this fault, however, in order to dedicate this yearbook to a truly deserving man:

Dear Graduate:

Congratulations on your achievement. You have reached a goal. Each goal you establish for yourself carries with it a risk and reward. The risk is failure and the reward is the joy and satisfaction of success.

I encourage you to set high standards and goals for yourself. Do not become immobilized by the risk. The risk, itself, can be a valuable learning experience allowing you to attain even higher accomplishments than you imagined were possible.

The experience of atriving, in and of itself, can be worthwhile for in this process you learn about yourself and others. You may even transcend the process of effort and gain deeper insights that bring you inner peace and strength.

Regardless of your achievements or failures while attempting to fulfill your goals, remind yourself that you are important as a person. Remind yourself to view failure and achievement as things and yourself as real; this will allow you the courage to strive. Demonstrate respect for the dignity and worth of yourself and of others, for this will establish you apart from your failures or achievements.

An old quotation is recalled, "He who never climbed, never fell." Set your goals high and climb.

Sincerely yours,

Edwin Denton

You make the best of me

And what's not good, you

And it's become less than

You've made my past go

Time is precious to me now

Times spent with you are
the most precious of all

They're greater than any

Cheerleading

This year's cheerleading squad can best be described as a group of dedicated and spirited young girls. They have spent endless amounts of time and energy after school in order to learn new cheers, mounts, and routines. Throughout the Football and Basketball seasons they have inspired many fans and team members.

Each of the squads fifteen members, led by Football captain Ellen Querzoli and Basketball captain Heather Ritchie, has shown full support through many activities such as baking, decorating the player's lawns, and arranging entertainment for the Thanksgiving Day Rally.

Along with all of these activities the Trojan cheerleaders must also prepare for their own tournament, which includes competing against various squads from throughout the state. We are confident that the squad will perform up to the high standards that they have set for themselves.

Looking back, the class of 1983 will always remember the enthusiastically smiling faces of the Bridgewater-Raynham Trojan Cheerleaders.

THE BEST OF TIMES

Thanksgiving Rally

This year's Thanksgiving Rally held on Nov. 24 was a good time for all. The B-R student body was well represented by an excited and spirited array of faithful football followers.

Although the Junior class was honored for best decorations, the Seniors were noted for their rowdy enthusiasm. All in all, the 1982 Thanksgiving Rally proved beyond a doubt, that school spirit is alive and well at B-R High.

Under new coach Frank Almeida, the Trojans finished with an up-and-down record of 2-5-2. Captains Jeff Francis and Phil Dooley, along with Quarterback Tom Lafleur, led the team throughout the year. The Trojans finished the year on a high note by crushing new rival, Taunton High 17-0 on Thanksgiving Day. Adjusting to the new "wishbone offense" initiated by Coach Almeida, the team proved to excel in the final game. The leaving Seniors should be complimented on their efforts — Brian Berry, Jim Boyd, Larry Bresciani, John Correia, John Grigas, Dan McKeague, John Pruyn, Mike Shaw, and Rick Stanton. Good luck to the B-R teams of the future!

The 1982 Boys' Soccer Team was once again undefeated in regular season play and continued that streak through the state tournament. For the fourth consecutive year the boys captured the O.C.L. title under the spirited guidance of George Pacheco, who himself attained his 100th victory as the Trojans' head coach.

The newly crowned Division I State Champs were led by All Star seniors Larry Politano, Tim Flynn, Brett Nelson, Jeff Walsh, Bob Chicoine, Jeff Locke, and Mark Parris in goal. Other outstanding seniors were Tom Correia, E. J. Murphy, Alan Sullivan, and Steve Tebou. Congratulations to the players for their outstanding season!

The 1982 Girls' soccer team, under the direction of new head coach John Heslin, once again won the OCL title. Led by captains Peg Callaghan, Jeanne Paul, Chris Mattson, and Beth Flynn, the girls had an unblemished record. Seven members of the team were chosen for the OCL All-Star team. First team members were Peg Callaghan, Jeanne Paul, Chris Mattson, Beth Flynn, and Sarah Peluso. Second team members were Susan Reed and Debbie Dorr. Superstar Peg Callaghan was also chosen for the Globe All-Scholastic team. With many talented underclassmen, Coach Heslin looks for an OCL title again next year.

Field Hockey — Big Improvement!

Although this year's team still did not hit the .500 mark, a big improvement was made over last year. Much credit is given to the team's "never say die" attitude. Losing seniors Margaret Kilbridge, Mary Rodrigues, Mary Cooke, Allison Morwock, and Julie Bassett, this year's strong JV squad will have to make up for the difference for varsity next year.

1st Row (Left to Right) M. Stebbins, J. Bassett, M. Rodrigues, M. Calbridge (Capt.), A. Morwick, M. Larzelere. 2nd Row (Left to Right) C. Dardano, J. Wright, P. Querzoli, M. Kneeland, M. Kilbridge, Coach Sears, H. Knight, K. Bent, H. Dodge, M. Urban, S. Fernandes.

2nd Row (Left to Right) B. Knowles, M. Cloutier, C. Haley, Coach L. Folloni

Under coach Larry Folloni, the Golf Team finished with a record of 3-9. Led by the fine play of co-captains Chris Flynn and Steve Saccocia, the team had several matches that were lost only by a few points. Finishing on a high note, the team won their final match of the year. Senior Sal Oliveri and the two co-captains will be missed, but next season looks quite promising for the B-R Golf Team.

Boys' Cross Country — Building Year

2nd Row (L to R) E. Cloy, C. Smalley, R. Smudin, B. Cartwright, S. McMahon, Coach Moscardelli.

Despite the outstanding performance of Captain George Bent, the B-R Cross Country Team was unable to post any marks in the win column this year. Bent, an All-Scholastic All Star, led the team along with other departing seniors Steve O'Connor, Bruce Phillips, and Jim Oliveri.

Although the girls had another losing season, strong individual performances by captains Lynn Littlefield and Jennifer Worcester and also senior Nancy Robak, made the season an exciting one. With returning underclassmen Ellen Bent, Kristen Morwick, and Betsy Littlefield, Coach Tufts hopes for more success next year.

Unplagued with injuries as in previous years, the boys' varsity basketball team was a fierce competitor in the OCL. Although only winning about .500 of their games, their record did not relfect the dedication of the entire team. With co-captains George Bent, a leading scorer in the OCL, and Chris King, super all-around player, the team has had a respectable season. Junior Sean Carey, Pete Kubiak, and Rich Smudin round out the starting line-up. The Trojan success was due in part to the strong seniors on the bench, Evan Lampros and Steve Cuff. With many talented juniors, Coach Sarantopolous can look forward to a good season in 1983-1984.

Girls' Basketball — New Coach, New Outlook

First Row: Beth Flynn (Capt.), Margaret Kilbridge (Capt.) Second Row: A. O'Connor, L. Meaney, S. Peluso, J. Paul, P. Callaghan, K. Morwick, J. Rigo, Coach Cuniff.

A big change has come over the girls' varsity basketball team at B-R this year. With the resignation of last year's coach, the position was awarded to Gerald Cuniff. Coach Cuniff, a new teacher at B-R last year, has never coached a girls' team before. He has brought with him a new fast-paced style which has been very successful this season.

With six seniors and three juniors comprising the squad, it's hard to pick out any superstars. Although there is a "starting line-up": those people on the bench have equal playing ability and receive equal playing time. Members of this year's team are: Co-Captain Margaret Kilbridge, Co-Captain Beth Flynn; Seniors Jeanne Paul, JoAnn Rigo, Peg Callaghan, and Alicia O'Connor; Juniors Kirstin Morwick, Lynne Meaney, and Sarah Peluso.

For a club that rarely finishes the season with a better than .500 record, the consensus is that this may be the year to win the OCL. With a record thus far of 8-2, the girls are on their way to the state tournament and maybe an OCL crown.

First Row: N. Madrigale, S. Reed, R. Murray, M. Kilbridge. Second Row: Coach Carlson, M. Mangelson, B. Flynn, M. Urban, A. Callaghan, J. Parker, S. Fernandes (Manager).

Harhen, S. Panza, D. DeMello, J. Sullivan, Coach Sullivan, Coach Holmes, J. Cannistraro, C. Atchinson, V. Zonfrelli (Missing: Jeff Francis).

The B-R wrestling team has once again proven themselves to be a major power in Division II wrestling. The Trojans have maintained their best state ranking in the last four years, mainly based upon the depth of seven seniors that crowd the starting line-up. Coach Holmes believes this to be one of the most experienced clubs that he has ever coached, explaining why the team has lost only two matches this season. Leading the Trojans to their 13-2 record are senior co-captains Jeff Francis, John Correira, Rick Stanton, Greg Pacheco, Bruce Caswell, Jim Oliveri, and Dave Ritchie, With only one league loss to Marshfield, the team is sure ot have great success in their post season competition.

Hockey — Tourney Hopes!

The B-R hockey team is having one of the best seasons in the program's history. The Trojans have compiled a record of 8-4-2 thus far, putting them in first place in the small school division of the OCL. The team is led offensively by the high scoring line of co-captain Dave Jamieson, along with OCL All-Star Terry Chipman and sophomore Steve Sullivan: The line of center Tim Page, Bill Chipman, John Dolan have combined hard hitting and aggressive forechecking to pose a constant scoring threat to any team in the league. Defensively, seniors Rick Reed, Chris Flynn, Bob Morressey, and sophomore Steve Barnes team up to form an effective goal-stopping unit with an added offensive threat. In goal, both Larry Howard and Dave Shepard have successfully thwarted opposing forwards time and time again, keeping the Trojans competitive in every game. With just four games left, the Trojans have a chance to clinch an OCL title and a berth in the state tournament.

Recognition Time

We the class of 1983 wish to pay special recognition to Athletic Director Lawrence Folloni upon the year of his retirement. Mr. Folloni, a man recognized for his unquestionable leadership in high school sports, has so faithfully served B-R since the school's opening in 1961.

Mr. Folloni, before taking the job of A.D. at B-R, served in the U.S. Army Air Corps, and as a Navigation Officer veteran. Before taking on his role at B-R, he served at Dighton High for four years as the Director of Athletics and Physical Education. While at Dighton, he earned the coach of the year awards in football, basketball, baseball, and track.

As an athlete, Coach Folloni starred in football, basketball, and baseball. He was a member of the Boston University varsity basketball team that compiled the best won-lost percentage in the school's history (11-2) and was captain of the baseball team. Playing second base for the Terriers, he established a collegiate record which still stands when he reached base 17 consecutive times.

As an athlete, a coach, an official, and an administrator, Larry Folloni has always emerged as a leader and a man who has excelled.

Robert,
May you always walk in sunshine
And God's love around you flow,
For the happiness you gave us,
No one will ever know.

It broke our hearts to lose you
But you did not go alone,
A part of us went with you,
The day God called you home.

A million times we've needed you.
A million times we've cried.
If love only could have saved you,
You never would have died.

Dr. Richard Tsoumas

Dr. Tsoumas died in the summer of '82. He was a good teacher and a good friend. He will be a model for us always.

Which end does the candy come out?

How do you get Capt. Kangaroo on this?

I hooked one!

Now, if we could just get these helmets off!

You told me he was the real Santa Claus.

I didn't know they had suits that looked like this.

Gee . . . I've always wanted one!

Get the picture yet?
